According got enough. What the Acetrians were proudest to L: Nord the trial look place two days ago at of was the fact that the whole of their material | the Belgian Tir National, in presence of Mr. bhips, engines, acabine-plating, and guns - was or | Dailly, president of the competition, and of a Austrian production, and had withstood the test great number of markamen. The experiment was of real service admirably. As to their feeling for | made with a cavalry carbine, charged with three their leader. Tegetheff, I need not say a word; grammes and a ball of punder, and she qualcal such cheering as on the announcement that the inglomance ball for that area. The exchine, have Emperor had promuted him to a Vice-Admiral I log has tested and regulated, was placed upon a nover beard before either affest or on shore. I stand pointed at the level of the breast. Mr. bad almost forgetten to say that the Austriana Bernard placing himself at the distance of a hunhad initated the Americans in protecting the vital | dred meses, dehunenced by taking off his cont. parts of their wouden ships by and our chains out- and showed that hetpreau his breast and his events side, haproving this in some instances by a num. there was absolutely nothing but his shirt and his wistcout. He then but on bis casute, which is a indeed, be a fraitful cruse for discussion to naval flowing garment talling to the ground, and covercircles. I came on with the fact to Pola, where jed his head with a steel casque. The shut was part of it and nired on the 21d, leaving a strong than fired. The public were greatly moved when or squadron unising outside; thence I came to they spreared to see M. Bernard stugger and of Trieste in a Lloyd's steamer. On the whole way stupping to pies up the ball, which had struck him a little above the waiet and to the lett side, the ball, deadened sesinst the stuff, had fallen as his feet, and he cause running towards us to show it. At a shore distance be threw the ball to the a lattite of things in Austria which followed the marksmen, crying to these aut to approach. Not vet having taken out a patent, M. Bernard ab. The Prussian army is beginning to withdraw salutely refused to let the garment be examined from the Dachy of Austria; the Grown Prince's by which he obtained so marvellous a result. army is already miving back towards Anstrian The ball was only slightly benjen out of shape, en Silvein, passing through Moravia. The 2d corps and here on its point the impress of the stuff, a d'ormes of this army has commenced its move- The javentur offered to renew the experiment; id ment towards Prague, and the rest of the First but, in presence of the result obtained, those Army will also begin its retrograde march on present declared a new experiment unnecessary, Wadnesday after it has been reviewed by the The cast is said to wrigh very little, so that ed King in the Marchfell on Tuesday. General there can be no objection to it on the score of its is Mulbe, who had come with a reserve corps from bardensomehees. Are infautry henceforth to be Prague to Brune before the preliminaries of uneless against each other, unless they pre armed m peace were agreed upon, is retracing his steps; with heavier weapons, which it will certainly be a- It cannot be expected that the seturn march will a novelty to introduce after all the theirs of arl be nearly so rapid as that of the advance. There military men to have the the lightest possible at is no enemy now in the trant to be turned or weapon? But there will be no help fur it if it id herriedly pushed bark, so the troops will move in possible, by increasing the weight and newer ad by case stages until they reach the positions of the infantry soldier's weapon, to make the bene they are to receipy till the trenty of peace is centary defensive armour resen with the advan-

As Austria will be able to pay this contribution the ram." when foretopmasis are sent down, bowher Prussia s do not care to I quire, for if the money spile our in, and the ships of the final make CONVENIENT MATIEMONIAL ABRANGEMENT in king gets tiresome when it has been indulged in of two same, now grown up. Trouble came and
